

Join us to learn about federal and state financial and technical resources available to assess and cleanup brownfields in your communities. Brownfields are more than just abandoned industrial facilities. Brownfields funding is also available to help communities clean up abandoned gas stations, dump sites and mine scarred land.

Learn about EPA's Brownfields grant program.

- What are the different grant types?
- Who is eligible to apply?
- What kind of activities do we fund?
- What is the grant application process?
- What makes a good application?
Grant writing tips.

Learn about Pennsylvania DEP's funding opportunities for brownfields.

- What brownfield financing is available through the Economic Stimulus Package?
- What financial opportunities does PENNVEST offer for brownfield redevelopment?

Who Should Attend?

Local governments and non-profit organizations interested in applying for EPA Brownfields grants are encouraged to attend. EPA has a variety of grants available for brownfields projects. The workshop is being sponsored by EPA and the Pennsylvania Department of Environmental Protection and is free of charge to all participants. Those interested in attending are required to register as soon as possible, as workshop space is limited.

How to Register

To register for the August 17th Harrisburg workshop, send an e-mail including which workshop you will be attending, your name, organization, telephone number, and e-mail address to:

Region3brownfieldspa1@sra.com

To register for the August 24th Pittsburgh workshop, send an e-mail including which workshop you will be attending, your name, organization, telephone number, and e-mail address to:

Region3brownfieldspa2@sra.com
